

UPL Dungeon Master Position

The library is starting a Dungeons & Dragons Book Club for the 2019-2020 school year. The purpose of this club is to encourage reading and using the library. It is also in response to a strong and consistent request from the teens for the library to host D&D. Teens will keep reading logs of the books they read, with small prizes being awarded when they hit their reading goal. The actual program events will be the D&D campaign.

The Dungeon Master will run the campaign and support the librarian by encouraging the book club portion of the program. The club will meet at the library twice per month after school for September 2019- May 2020. The ideal candidate will have experience running D&D campaigns and working with teens. This is a grant funded, contract labor position. The pay is \$150 per month, with the expectation between prep time and program time the DM will work 5 hours per program at the rate of \$15 per hour.

Interested candidates should email a resume and cover letter to director@trumansburglibrary.org before August 1.
